Weigert: How do you think that truck got on that property? Which way do you think they came in or...?

Avery: Well, when I seen tail lights by me and Chuck had seen headlights by him. I don't know, they drove it.

Weigert: Which way was it pointed?

Avery: What?

Weigert: The truck.

Avery: I don't know.

Weigert: You don't know? What... Was there a different way in there or... two ways into there or what?

Avery: There's a bunch of ways in there.

There's the main road, there's by me, there's in the pit.

Weigert: OK.

Weigert: Put what out there?

Avery: That vehicle.

Weigert: And that's Teresa's vehicle?

Avery: Yeah.

Weigert: So Tammy told you that somebody told her...

Avery: Yeah.

Weigert: ...that a cop put that vehicle, Teresa's vehicle, out on your property.
